ECCLESIASTES 4:12

Three Threads is inspired by Ecclesiastes 4:12:
"A threefold cord is not quickly broken."

The three intertwined threads represent our clients, our team, and our trusted partners. Together they express unity, collaboration, and strength.

We believe the strongest brands are created when vision, expertise, and trusted relationships are woven together.

Three capabilities, coordinated as one.

COMPANY OVERVIEW

A connected route from requirement to delivery.

WHO WE ARE

Built to coordinate every detail.

Three Threads Corporate Solutions is a Zimbabwe-first partner for organisations that need dependable apparel, workwear, promotional products, print, design, and brand activation.

01

Understand

Clarify users, purpose, timing, and requirements.

02

Coordinate

Align product, artwork, sourcing, and approvals.

03

Deliver

Manage production checks, handover, and reorder records.

OUR VISION

To be a trusted African solutions partner that equips organisations, strengthens how they express themselves, and helps them evolve through quality products, creativity, and technology.

OUR MISSION

We design, source, brand, and deliver dependable solutions across apparel, workwear, promotional products, print, creative services, digital solutions, and business support through disciplined execution and trusted partnerships.

MANAGED SOURCING

A managed network, coordinated around your requirement.

Three Threads coordinates product selection, branding requirements, approvals, quality checks, and delivery.

This model provides practical range without claiming that every process is performed in-house.

CLIENTS	Define
THREE THREADS	Coordinate
PARTNERS	Supply and produce

Quality begins before production.

01

Clear specifications

Product, colour, size, fit, branding, and placement are defined.

02

Artwork approval

Production follows the approved visual and application detail.

03

Sample decisions

Samples or proofs are used where project risk requires them.

04

Quality checks

Finished items are checked against the agreed requirement.

05

Reorder records

Approved specifications support consistency on repeat orders.

THREE THREADS
CORPORATE SOLUTIONS

WHY THREE THREADS

A stronger result comes from better connection.

01 **One partner**

A coordinated route across product, branding, approval, and delivery.

02 **Practical range**

Corporate and industrial categories organised around workplace needs.

03 **Controlled detail**

Clear specifications help reduce ambiguity before production.

04 **Flexible delivery**

A managed network shaped around the brief and current availability.

Start with a clear brief.

Share the essentials and we will help shape the next step.

01 — What you need and who will use it

02 — Quantity, sizes, colours, and fit preferences

03 — Logo or artwork files

04 — Preferred branding method or finish

05 — Delivery location, required date, and procurement needs
